Brown Safety Consulting

<http://brownsafetyconsulting.com>

Certifications: DBE/ MBE/ SBE

Since 2019, Brown Safety Consulting has provided safety consulting services for numerous reputable general contractors and specialty contractors in the Baltimore, MD and Washington, D.C. metropolitan areas. They have assisted with safety management on various projects for many different companies, such as HITT Contracting, Gilbane, Parsons, Hensel Phelps, Skanska, and PerLectric. Brown Safety Consulting aims to become the premier safety consulting firm in the

Mid-Atlantic region and beyond. In four short years, Brown Safety Consulting has established itself as a reputable and dependable safety consulting firm that provides experienced and dedicated safety professionals to deliver their services to their clients. Their primary services include safety program review and development, site safety audits, incident investigations, risk assessments, assistance with OSHA citations, site-specific safety program development, full-time inspectors, and safety training.

Will Brown will be representing Brown Safety Consulting for the TradePoint Atlantic Empowerment Academy. Will is the President and Owner of Brown Safety Consulting with over 28 years of experience in providing health, safety, and environmental (HSE) services in the Mid-Atlantic region and beyond. A graduate of Marshall University with a master's degree in occupational safety and health, Will gained extensive experience in providing safety leadership and strategic direction for large organizations with multiple business units. Will possesses a Certified Safety Professional (CSP) designation, along with several other safety certifications. Will had always been passionate about assisting companies, both big and small, in the development, implementation, and management of HSE programs.
